

UNDER DIXIE SUN

NAMES LIST

This book was originally published in 1950 by the Daughters of Utah Pioneers in Washington County, Utah. It was updated as a supplement in 1978.

At the time of these two publications, an index of the names was not prepared. An alphabetical list is now available of all names mentioned in these publications in hopes that it will help descendants of these brave and stalwart pioneers, as well as those interested in the history of Southern Utah, become better acquainted with "those who came before us."

Names are in alphabetical order with each page number shown where that person is identified

Names in the Supplement have an "S" after the number

Copies of "Under Dixie Sun" are available at the McQuarried Memorial Museum,
145 N. 100 E., St. George, Ut; 435-628-7274
