Thank you for coming, on time, on your scheduled day!

The Daughters of Utah Pioneers (DUP) was organized as a service organization to share our Pioneer heritage, Our Museum is a large part of that responsibility. There is a great need for Docent service all of the time. Your help is needed!

You are more than a volunteer giving time and service. It is indeed an honor, privilege and responsibility to be a Docent. As a Museum Docent, you may be the only representative of the DUP, early Pioneers or Washington County Communities, many of the hundreds of visitors from all over the world will ever have contact with. It is our generation that can explain, with love and appreciation, insights into Pioneer life. We offer a step back in time by exhibiting Pioneer treasures and necessities. A Docent is a hostess, guide and storyteller with interesting information who is courteous and friendly.

IMPORTANT POINTS TO ALWAYS REMEMBER:

- Your Museum key opens both outside doors on east side of building. The two handicap doors are locked but if necessary your key will unlock them (from the inside only). To open the front door, pull door towards you tightly and the twist the key to the right. To lock, be sure to pull door closed tightly.
- Password for Security Company is **SEGO LILY**. If alarm goes off, press the alarm button (unlock), if the phone rings you **MUST ANSWER THE PHONE** and give the password to the security company. They will assist you in turning off the alarm.
- **Docent Sign In Log** – Do not sign in on the Guest Sign In book. Docents sign in on the log in the 2 drawer file cabinet in Room 6 labeled **Docent Info**. **This is special notebook in the front drawer.**
- **ALL Forms** you need are in the 2-drawer file cabinet in Room 6 labeled **Docent Info**. Put completed **OPEN** and **CLOSE** Museum forms in folder marked **COMPLETED OPEN/CLOSE** forms in the bottom drawer.
- The policy not allowing Photos to be taken by patrons in the Museum has been discontinued. Patrons can take pictures with cellphones just don't use a flash. That is not allowed..
- No food or drink in the museum (including baby bottles) except the meeting room downstairs. Water is ok.
- Do not leave patrons alone. Keep an eye on each of them. Basement access with a Docent only. If a Docent is unavailable keep the rope across the top of the stairway Watch the lobby and Gift Shoppe areas at all times. See Traffic Flow chart.
- Answer the phone "**Pioneer Museum**". Any questions you are unable to answer should be referred to one of the people listed on the Docent Information sheet on the wall in Room 6. Emergency numbers are posted next to the telephones. Special matters or concerns are referred to the Museum Staff. Take phone messages and put them in the **Message Center drawer** in desk in the lobby.
- Keep outside doors closed at all times. Watch the lobby and the Gift Shoppe area.
- Do not rearrange furniture or artifacts. We have a trained staff to properly move items.
- The extra receipt books plus the First Aid Kit are in the drawers of the desk under cash drawer.
- Must have two Camp Docents in the museum. No one serves alone. A trained Core Docent is required to be on each shift. You can bring a friend or relative if another Camp member is not available.
- Our honey taffy is very popular but **VERY MESSY**. Do not open in the Museum. Unwrapping the candy allows tiny bits to fall out and get the carpet sticky which can attract pests that damage our collection. If Docents wish to buy and share candy with visitors, give it to visitors as they go out the door.

COVID-19 PROTOCOLS

Our highest priority is to keep our Patrons and Docents safe while enjoying their time spent in our museum. The following are the current COVID-19 protocols that should be followed by everyone who serves in the Museum effective June 1, 2020.

- All Camp and Core Docents will wear a mask while on shift.
- ALL Patrons/Visitors will be required to hand sanitize when they enter the building.
- All Visitors will be required to maintain 6' social distancing between families.
- Docents can request visitors to wear a mask but they are not required.
- The recommended traffic flow pattern throughout the Museum should be followed. Visitors are allowed to use the circular stair case to go downstairs. The meeting room is now open to visitors because there are pioneer photos there and they can exit through the basement lobby door.
- Each hour the Docent should take a disinfectant wipe and clean the front door handles and wipe down the sink and toilet handle in the bathrooms.
- The Docent should also wipe the Cash Register with disinfectant wipes after transactions.
- If the visitors have touched the display cases then they should be wiped down as well.

REFERENCE

WHAT DO YOU NEED TO DO AS A DOCENT?

1. **Call your partner the night before.**
2. **Arrive 10 minutes prior to your shift with your Docent Partner. Bring a sweater/jacket because the Museum temperature is kept at 70 degrees to protect our collection.**
3. Unlock the front door with your key provided in Docent packet. (See #11 for closing information)
4. Turn security alarm off. Alarm pad is on wall by the Restroom. Press and hold the button with the unlock symbol until the red light comes on and the voice recording tells you the system is disarmed. You have approximately 45 seconds from the time you open the door to disarm the alarm. If alarm is not beeping upon entering **DO NOT** touch alarm pad. Someone on the Staff may already be in the building. Go downstairs and check.
 - a. The alarm system avoids direct Police response. It lets us know when something is wrong but **DO NOT** call the Police. If the alarm goes off, the Security Company **WILL CALL** to discover the problem. **YOU MUST ANSWER THE PHONE.** Give the password (**Sego Lily**). Security will call the Police if they don't get the password. Do not call 911 if alarm goes off.
5. Sign in on the Sign In Log in the front of the 2-drawer file cabinet in Room 6
6. Get the "Open the Museum" form from the folder in the 2 drawer file cabinet in Room 6 marked **Docent Info**. Follow all of the steps outlined on that form. Do not skip any of the steps. (A copy of the form is included here). Put completed form in the folder in the drawer.
7. Unlock cabinet next to cash register in Room 6 (key is in drawer under Cash Drawer in Room 6). Put your purse in the cabinet for security purposes (do not leave purses on the floor). Hang the yellow Docent Badge around your neck to wear during your shift. Make sure to hang it up when you close for the day.
8. Greet Patrons at the door, have them hand sanitize and sign in, offer to give them a tour or suggest a self-guided tour. Offer a visitor guide to help them. (See more information on Greeting Patrons on Page 5)
9. Complete a transaction sale for any Patron who wants to purchase items from the Gift Shoppe. **Make sure to write hard** when filling out receipt so information goes through to all copies.
10. Complete a transaction sale for any Patron who wants to place an order (HAP Order) for a copy of the pictures, photos of artifacts or histories we have available. (see Page 8 for detailed instructions).
11. Do some cleaning when time allows. There is a 'Cleaning Form' in the 2-drawer file cabinet in Room 6. Use same form until all items have been completed.
12. When getting ready to close the Museum at the end of the day, make sure no one is in the building, get the "Close the Museum" form from the 2-drawer file cabinet in Room 6 and follow all of the steps. Put completed form in the folder in the 2 drawer filed cabinet in Room 6. Make sure to take all of your belongings. Set the alarm if building is vacant and lock the door as you leave. Make sure door is tightly closed.

Greeting Guests:

- Welcome visitors with a friendly smile and ask where they are from. Would they like a guided tour or would they like to just browse? Ask them to sign in on the Guest Book.
- A Museum Visitor Guide showing some of the artifacts in each room can be handed out, as well as Scavenger Hunts, Museum Trivia Game and a Pioneer history which are fun activities for guests. Keep contact with self-touring visitors; offer help/information if needed. Share one or two of your favorite stories with them. (Use the Flip cards for help with stories, or information in the Artifacts Guide binder).
- Ask guests if they have any ancestors who lived in southern Utah. Point out the Reference Desk for researching the items in the museum, located in Room 5, and the index of the “Under Dixie Sun” book. This index is a list of names in the “Under Dixie Sun” book. Mention that the book is for sale in the Gift Shoppe.
- On a tour, tell briefly about items; keep moving unless visitor has special interest. You can use the laminated flip cards for reference. When the tour is finished, Patrons are welcome to look around longer if they wish. Ask if there are any questions. Offer a museum brochure or postcard as Patrons leave and invite them to come back. Mention our website where they can review our online collection.
- Visitors arriving the last half hour of the day should be reminded of when the museum closes. They can be given a shorter tour by just showing the 3 main rooms. Answer their questions and invite them to come back again another day.
- Become more familiar with museum items by visiting prior to your scheduled days and/or use the Flip cards. When there are no visitors, look around the museum; read museum labels; browse through Flipcharts; review Flip cards; study Docent Information binder and Artifact Information binder found in Room 6 or do a little cleaning.

Group Tour Reservations:

A Group Tour Reservation is arranged by filling out the Request for Tour form (located in 2-drawer cabinet in Room 6). If someone comes to the Museum, have them fill out the form and put it in the **MESSAGE CENTER** drawer in Lobby. If it is a phone call, then Docent fills out the form and leaves in the Message Center. If the request is for an immediate date, please call the Tour Director to let her know.

If a group comes unannounced, do your best; let them look around and answer questions. Divide into two groups if possible. If time is short, skip the downstairs rooms. Try to make sure there are 2 adults with 8 to 10 children.

Sales: Opportunities (This is the Primary support of income for our Museum)

- Handmade items, souvenirs, books, including “Under Dixie Sun” books are for sale in the Gift Shoppe. Encourage patrons to browse, letting them know most items are handmade and donated by the members of the DUP. Introduce the index to “Under Dixie Sun” so patrons can possibly find their ancestor and may be interested in buying a book. Also, orders for copies of histories, photos and artifacts should be offered. We have CDs of certain families available for sale, including a CD of the DUP Markers & Monuments in Washington County.
- Our Gift Shoppe items are unique. There is something for everyone. All proceeds go directly to the maintenance of the Museum.
- There are several written articles around the Museum and on the Flipcharts available for sale. A list of these articles is found on the bookcase in Room 6. The articles are filed in the plastic box. The cost is \$.25 per single-sided page, unless marked otherwise. Many of the articles are also available on CDs and can be combined with other articles.
- Please complete the Camp Donation form when a donation is being made for the Gift Shoppe to be sold.

Making a Sale:

- The first step in **all** sales transactions is to fill out the sales receipt. Make sure cover is under pink copy so the writing doesn't go through more than one receipt but do **press hard** so writing transfers to all three copies of receipt.
- Write all items purchased on the sales receipt. Titles of books sold **MUST** be written on the receipt (not just “Book”). There is a list by the Cash Register/drawer with a list of book names, use it as a reference to fill in the correct name.
- **Sale:** Fill out a sales receipt; **Process Transaction in the Cash Register**, give YELLOW copy to Patron, put cash or check in cash drawer, put WHITE copy of receipt under the **COIN tray**. All PINK receipts are to be left in the receipt book. Mark VOID if necessary. Do not remove any copies.
- **Credit Cards Purchases:** **Credit Card purchases are done through the Cash Register**. The YELLOW copy of the receipt to the Patron, the WHITE copy in the cash drawer. All PINK receipts are to be left in the receipt book.
- Extra Receipt books are the desk, 2nd drawer down. Keep receipts in sequence, if one is voided, write VOID on copy.
- Daily money and receipts need to balance. This is done by the Assistant Treasurer.
- The Little House is to be for donations **ONLY**. Put on the display cabinet in Room 5 during the day and put in the cabinet in Room 6 at the end of the day and lock the cabinet. There are two clear plastic donations boxes that need to be put out. One in the lobby by the sign in book and 1 on the brown cabinet in front of the cash register.
- **REMEMBER** to thank the Patron for supporting the Museum.

INSTRUCTIONS FOR TAKING HISTORIES/ARTIFACTS/PHOTOS (HAP) ORDERS

All orders are to be taken using the HAP receipt book. All orders are to be prepaid (cash, check, or credit cards). Checks are to be made out to: DUP Museum. Payment and the white copy of order/receipt are to be put in the cash drawer after processing the transaction in the cash register. Yellow copy of the receipt goes to the Patron (make sure Museum address is stamped at the top). Pink copy of receipt is to remain in the receipt book.

It is important to write all information clearly, completely, and press firmly so order can be read and processed correctly.

In addition:

Make sure to put Customer's phone number & email and include accession number for each item on order (except histories).

Patrons can order as many items as they choose. All will be put on the one CD and mailed to them. **The cost is \$7.00 for the CD, postage, and 1 item. For any additional items desired, the cost is \$1.50 for each one.** (i.e. \$7.00 for first item, plus \$7.50 for 5 additional items [5 x \$1.50] equals \$14.50 for the total order.)

Histories – When a Patron is interested in histories on his/her ancestor(s), show them the **REFERENCE DESK** in Room 5. They can look up the name of their ancestor and see everything we have for that person or family. Next to each name is the number of pages of history available. If a photo is included in the history, it is noted. This is for information only. Histories are not available for review.

Patrons must prove lineage by showing a Pedigree Chart or Family Group Sheet, or **Giving enough information to satisfy the Docent.** Once the relationship has been verified, have the Patron complete a receipt/order form by listing the name of each ancestor as it appears in the online collection for each history desired, then have the patron complete the rest of the information showing the **NAME, ADDRESS, PHONE NUMBER AND EMAIL** of the person requesting the history. Be sure **ZIP** codes and **AREA** codes are included. Again, be sure information is complete and can be read.

Also, available are **OTHER HISTORIES, DUP MEMBER HISTORIES AND LOCALITY** histories; a pedigree chart is not required. All orders are to be combined on the same receipt/order form.

Pioneer Photos – The Reference Desk is where the Patron will look up photos of their ancestors or family and it is in Room 5. A **jpg** file is available of each photo and is ordered by using same receipt/order sheet as Histories and Artifacts. The Accession code should be written by the name of the pioneer. Use the binder on the desk to locate the pictures in the Museum.

Photos of Artifacts – The Reference Desk is where the Patron will look up photos of artifacts of their ancestors or family and it is in Room 5. A **jpg** file is available of the photo of the artifact and is ordered by using same receipt/order sheet as other items. Be sure to include accession number next to the name/item. If the owner/donor of the item is known, their name will also be shown.

It is important to ask our patrons if they have any ancestors who might have lived in Washington County. It is so much fun to share what we have with descendants of those pioneers we strive to remember.
